

# SURGERY CLOSURE

## Wednesday 12<sup>th</sup> February

Chacewater & Devoran Surgeries will be closed for the afternoon of Wednesday 12<sup>th</sup> February for Staff Training.

As a practice we have found great benefit from our previous closures and are aiming to hold these training afternoons on a quarterly basis where possible.

This protected time for our teams has given us the opportunity to review standard procedures and keep up to date with necessary training.

Devoran Surgery will be closed from 1pm and Chacewater surgery will be available for **urgent matters only**. If your issue cannot wait until the next day, please contact us by telephone in the first instance so that we can help support you.

Managed repeat prescriptions that are due to be collected on Wednesday 12<sup>th</sup> February will be available to collect from Tuesday 11<sup>th</sup> February and in the morning of Wednesday 12<sup>th</sup> February prior to us closing.

Your support would be appreciated in enabling us to provide this much needed time and provision to our staff.
