

COVID & FLU AUTUMN FLU VACCINATION PROGRAMME

IMPORTANT UPDATE

The eligibility for the Covid Vaccination has changed this year and is **only** available to patients aged **75** Years and over, Residents in care homes for older adults and Individuals who are immunosuppressed aged 6 months and over.

Patients aged 65 – 74 years are eligible for a Flu Vaccination only.

Patients aged 6m – 64 years in a clinical risk group are eligible for a Flu Vaccination only.

**We are arranging two Saturday clinics at
Chacewater Surgery.**

Saturday 4th October will be for patients aged 75 years and over.

Saturday 18th October will be for all other patients.

Once these clinics have been finalised, we will be sending out invitations to eligible patients to arrange their appointments.
