

RESPIRATORY SYNCYTIAL VIRUS VACCINATION (RSV)

If you are aged 75 – 79 years old on the 1st September 2024 or turn 75 on or after the 1st September 2024 you are eligible to have an RSV vaccination.

RSV is an infectious disease of the airways and lungs and often causes symptoms like a cold.

It can make you become wheezy or short of breath and lead to pneumonia and other life-threatening conditions.

Please contact us to arrange an appointment if you have not already done so.
